In <i>The Idea of Progress</i>, he assesses the concepts of history found in the classical period and then traces the historical development of the concept of political and social progress by looking at writers from the sixteenth to the nineteenth century. It is interesting to consider what the history of the past hundred years would add to such an analysis.</p> <p data-bbox="414 1635 1061 1724" style="text-align: center;">Read for LibriVox.org by Barry Ganong Total running time 08:59:29</p> <p data-bbox="247 1848 1220 1915">This LibriVox recording is in the public domain and may be reproduced, distributed or modified without permission.
